Statutory auditors' report on the consolidated financial statements

To the Shareholders,

In compliance with the assignment entrusted to us by your annual general meeting, we hereby report to you, for the year ended December 31, 2011, on:

- the audit of the accompanying consolidated financial statements of Renault;
- the justification of our assessments;
- the specific verification required by law.

These consolidated financial statements have been approved by the board of directors. Our role is to express an opinion on these consolidated financial statements based on our audit.

I. Opinion on the consolidated financial statements

We conducted our audit in accordance with professional standards applicable in France; those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement. An audit involves performing procedures, using sampling techniques or other methods of selection, to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made, as well as the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, the consolidated financial statements give a true and fair view of the assets and liabilities and of the financial position of the Group as at December 31, 2011 and of the results of its operations for the year then ended in accordance with International Financial Reporting Standards as adopted by the European Union.

II. Justification of our assessments

In accordance with the requirements of article L. 823-9 of the French commercial code (Code de commerce) relating to the justification of our assessments, we bring to your attention the following matters:

- for the purpose of preparing the consolidated financial statements, Renault group makes certain estimates and assumptions concerning, in particular, the value of certain asset, liability, income and expense accounts, the main items of which are summarized in note 2-B to the consolidated financial statements. For all these items, we assessed the appropriateness of the accounting rules and methods applied and disclosures provided in the notes to the financial statements. We also reviewed the consistency of the underlying assumptions, the quantified impact thereof and the available documentation and assessed on this basis the reasonableness of estimates made;
- as disclosed in note 14-A to the consolidated financial statements, the group accounts for its investment in Nissan by the equity method; our audit of the scope of consolidation included a review of the factual and legal aspects of the Alliance which serve as the underlying basis for this accounting policy;
- as part of our assessment of the accounting policies applied by the group, we have reviewed the methodology adopted for the capitalization of development costs as intangible assets, their amortization and the verification of their recoverable amount and we verified that these methods were properly disclosed in notes 2-J and 12-A3;
- as disclosed in notes 9-B and 11-B to the consolidated financial statements, the group has recognized part of the net deferred tax assets of French tax group; we have reviewed the consistency of the underlying assumptions for the forecasted taxable incomes and associated consumptions of losses carried forward, the quantified impact thereof and the available documentation and assessed on this basis the reasonableness of estimates made.

These assessments were made as part of our audit of the consolidated financial statements taken as a whole, and therefore contributed to the opinion we formed which is expressed in the first part of this report.

III. Specific verification

As required by law we have also verified, in accordance with professional standards applicable in France, the information presented in the group's management report.

We have no matters to report as to its fair presentation and its consistency with the consolidated financial statements.

Statutory auditors' report on the financial statements

To the Shareholders,

In compliance with the assignment entrusted to us by your annual general meeting, we hereby report to you, for the year ended December 31, 2011, on:

- the audit of the accompanying financial statements of Renault;
- the justification of our assessments;
- the specific verifications and information required by law.

These financial statements have been approved by the board of directors. Our role is to express an opinion on these financial statements based on our audit.

I. Opinion on the financial statements

We conducted our audit in accordance with professional standards applicable in France; those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit involves performing procedures, using sampling techniques or other methods of selection, to obtain audit evidence about the amounts and disclosures in the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, the financial statements give a true and fair view of the assets and liabilities and of the financial position of the company as at December 31, 2011 and of the results of its operations for the year then ended in accordance with French accounting principles.

II. Justification of our assessments

In accordance with the requirements of article L. 823-9 of the French commercial code (*Code de commerce*) relating to the justification of our assessments, we bring to your attention the following matters:

- as disclosed in note 1.A to the financial statements, and in accordance with the Conseil national de la comptabilité (French National Accounting Body) Recommendation no. 34, your company has elected to use the equity method to value its investments in subsidiaries over which it exercises exclusive control. The equity value of these investments is determined in accordance with the accounting rules and methods used to draw up the consolidated financial statements of the group. Our assessment of this equity value is based on the result of the procedures performed to audit the financial statements of the group for the 2011 fiscal year.

These assessments were made as part of our audit of the financial statements taken as a whole, and therefore contributed to the opinion we formed which is expressed in the first part of this report.

III. Specific verifications and information

We have also performed, in accordance with professional standards applicable in France, the specific verifications required by French law.

We have no matters to report as to the fair presentation and the consistency with the financial statements of the information given in the management report of the board of directors and in the documents addressed to the shareholders with respect to the financial position and the financial statements.

Concerning the information given in accordance with the requirements of article L. 225-102-1 of the French commercial code (*Code de commerce*) relating to remunerations and benefits received by the directors and any other commitments made in their favour, we have verified its consistency with the financial statements, or with the underlying information used to prepare these financial statements and, where applicable, with the information obtained by your company from companies controlling your company or controlled by it. Based on this work, we attest the accuracy and fair presentation of this information.

In accordance with French law, we have verified that the required information concerning the identity of the shareholders and holders of the voting rights has been properly disclosed in the management report.
