Renault S.A.
Euro 7,000,000,000
Euro Medium Term Note Programme
Due from one month from the date of original issue

Under the Euro Medium Term Note Programme described in this Base Prospectus (the “**Programme**”), Renault S.A. (the “**Issuer**” or “**Renault**” or “**Renault S.A.**”), subject to compliance with all relevant laws, regulations and directives, may from time to time issue Euro Medium Term Notes governed by French law (the “**Notes**”). The aggregate nominal amount of Notes outstanding will not at any time exceed Euro 7,000,000,000 (or the equivalent in other currencies).

This document constitutes a base prospectus (the “**Base Prospectus**”) for the purposes of Article 5.4 of Directive 2003/71/EC of the European Parliament and of the Council of 4 November 2003 (as amended by Directive 2010/73/EU (except as otherwise specified herein) (the **2010 PD Amending Directive**) to the extent that such amendments have been implemented in a Member State of the European Economic Area) on the prospectus to be published when securities are offered to the public or admitted to trading (the “**Prospectus Directive**”) containing all relevant information concerning the Issuer, the Issuer and its subsidiaries consolidated on a full integration basis (*filiales consolidées par intégration globale*) taken as a whole (the “**Group**” or the “**Renault Group**”) and the base terms and conditions of the Notes to be issued under the Euro Medium Term Note Programme, together with supplements to this Base Prospectus from time to time (each, a “**Supplement**” and together the “**Supplements**”). In relation to each Tranche of Notes, the Base Prospectus must be read in conjunction with the applicable Final Terms.

This Base Prospectus supersedes and replaces the Base Prospectus dated 11 June 2010 and any Supplements thereto.

Application has been made for approval of this Base Prospectus to the *Autorité des marchés financiers* (the “**AMF**”) in France in its capacity as competent authority pursuant to Article 212-2 of its *Règlement Général* which implements the Prospectus Directive. Application may be made to Euronext Paris for the period of 12 months from the date of this Base Prospectus, for Notes issued under the Programme to be listed and admitted to trading on Euronext Paris and/or to the competent authority of any other Member State of the European Economic Area (“**EEA**”) for Notes issued under the Programme to be admitted to trading on a Regulated Market (as defined below) in such Member State. Euronext Paris is a regulated market for the purposes of the Markets in Financial Instrument Directive 2004/39/EC (a “**Regulated Market**”). However, Notes may be issued pursuant to the Programme which are not admitted to trading on any Regulated Market. The relevant final terms (the “**Final Terms**”) (a form of which is contained herein) in respect of the issue of any Notes will specify whether or not such Notes will be admitted to trading, and, if so, the relevant Regulated Market.

Notes may be issued either in dematerialised form (“**Dematerialised Notes**”) or in materialised form (“**Materialised Notes**”) as more fully described herein.

Dematerialised Notes will at all times be in book entry form in compliance with Articles L.211-3 *et seq.* of the French *Code monétaire et financier*. No physical documents of title will be issued in respect of the Dematerialised Notes.

Dematerialised Notes may, at the option of the Issuer, be in bearer dematerialised form (*au porteur*) inscribed as from the issue date in the books of Euroclear France (“**Euroclear France**”) (acting as central depository) which shall credit the accounts of Account Holders (as defined in “Terms and Conditions of the Notes - Form, Denomination, Title and Redenomination”) including Euroclear Bank S.A./N.V (“**Euroclear**”) and the depository bank for Clearstream Banking, société anonyme (“**Clearstream, Luxembourg**”) or in registered dematerialised form (*au nominatif*) and, in such latter case, at the option of the relevant Noteholder (as defined in Condition 1(c)(iv)), in either fully registered form (*au nominatif pur*), in which case they will be inscribed either with the Issuer or with the registration agent (designated in the relevant Final Terms) for the Issuer, or in administered registered form (*au nominatif administré*) in which case they will be inscribed in the accounts of the Account Holders designated by the relevant Noteholders.

Materialised Notes will be in bearer materialised form only and may only be issued outside France. A temporary global certificate in bearer form without interest coupons attached (a “**Temporary Global Certificate**”) will initially be issued in connection with Materialised Notes. Such Temporary Global Certificate will be exchanged for Definitive Materialised Notes in bearer form with, where applicable, coupons for interest attached, on or after a date expected to be on or about the 40th day after the issue date of the Notes (subject to postponement as described in “Temporary Global Certificates issued in respect of Materialised Bearer Notes”) upon certification as to non U.S. beneficial ownership as more fully described herein.

Temporary Global Certificates will (a) in the case of a Tranche (as defined in “General Description of the Programme”) intended to be cleared through Euroclear and/or Clearstream, Luxembourg, be deposited on the issue date with a common depository on behalf of Euroclear and/or Clearstream, Luxembourg and (b) in the case of a Tranche intended to be cleared through a clearing system other than or in addition to Euroclear and/or Clearstream, Luxembourg or delivered outside a clearing system, be deposited as agreed between the Issuer and the relevant Dealer (as defined below).

The Programme has been rated BB+ by Standard & Poor’s Rating Services (**S&P**) and Ba1 by Moody’s Investors Services, Inc. (**Moody’s**) Notes issued under the Programme may be rated or unrated. Notes, whether Unsubordinated or Subordinated, will have such rating, if any, as is assigned to them by the relevant rating organisation as specified in the relevant Final Terms. Where an issue of Notes is rated, its rating will not necessarily be the same as the rating assigned under the Programme. Each of S&P and Moody’s is established in the European Union and has applied for registration under Regulation (EC) No 1060/2009 (the “**CRA Regulation**”), although the result of such applications has not yet been determined. Tranches of Notes issued under the Programme may be rated or unrated. The rating of a Tranche of Notes (if any) will be specified in the Final Terms. The relevant Final Terms will specify whether or not such credit ratings are issued by a credit rating agency established in the European Union and registered under the CRA Regulation. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.

The final terms of the relevant Notes will be determined at the time of the offering of each Tranche based on then prevailing market conditions and will be set out in the relevant Final Terms.

However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the final terms of the offer of the relevant Tranche is

2.3 Entreprises associées, partenariats et coopérations

Participation de Renault dans AB Volvo

En Janvier 2001, Renault et Volvo ont fusionné leurs activités respectives de poids lourds dans l'entité AB Volvo. Le 7 octobre 2010, la participation de Renault dans le capital de Volvo a diminué du fait de la cession de la totalité des 302 915 940 actions B détenues (soit 14,2 % du capital et 3,8 % des droits de vote). Renault a conservé les actions A, au nombre de 138 604 945, qui représentent 6,5 % du capital (17,5 % des droits de vote) et 6,8 % d'intérêt après prise en compte des actions auto-détenues par AB Volvo). Renault reste l'actionnaire principal du premier constructeur de poids lourds de gros tonnage en Europe et du deuxième constructeur mondial. Renault est toujours représenté au Conseil d'administration de Volvo par deux administrateurs.

Participation de Renault dans AvtoVaz

Renault détient 25 % plus une action du capital d'AvtoVAZ, premier constructeur automobile russe, à parts égales avec le holding public Russian Technologies et la banque Troika Dialog, dans un esprit de partenariat long terme qui vise à accélérer la transformation d'AvtoVAZ en un acteur mondial de l'industrie automobile avec une capacité de production dépassant un million de véhicules par an.

Participation de Renault dans Nissan

Renault détient 43,4 % du capital de Nissan. Au 31 décembre 2010, la valeur de marché des titres détenus par Renault s'élève à 13 959 millions d'euros.

3- L'alliance Renault-Nissan

Le 27 mars 1999, Renault est entré dans le capital de Nissan à hauteur de 36,8 % et a procédé au rachat de filiales financières de Nissan en Europe. Le montant total de la transaction a atteint 643 milliards de yens (environ 5 milliards d'euros et 5,4 milliards de dollars à cette époque).

Conformément aux principes prévus dans les accords initiaux signés en mars 1999, une seconde étape dans la construction de l'alliance Renault-Nissan a été franchie en 2002. Elle a resserré la communauté d'intérêts entre les deux entreprises en s'appuyant sur le renforcement de leurs liens capitalistiques, et la mise en place d'un Directoire de l'Alliance dont la mission est de donner une impulsion stratégique et de développer une vision commune à long terme.

Le 1^{er} mars 2002, Renault a accru sa participation dans le capital de Nissan en la portant de 36,8 % à 44,3 % par l'exercice de bons de souscription détenus depuis 1999.

Parallèlement, Nissan, via sa filiale à 100 % Nissan Finance Co., Ltd., est entré dans le capital de Renault. Par voie d'augmentations de capital réservées (le 29 mars et le 28 mai 2002), Nissan a acquis en deux temps 15 % du capital de Renault.

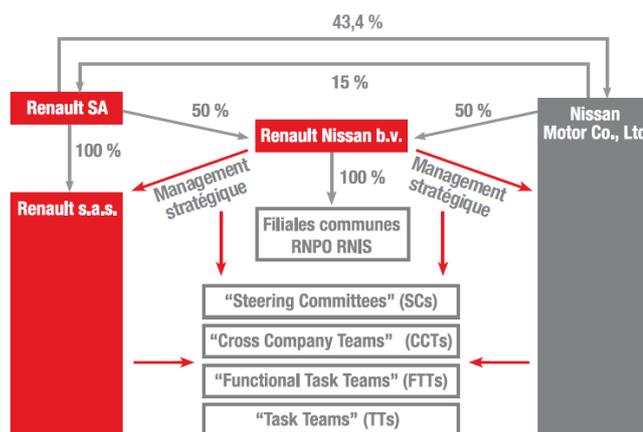

L'entrée de Nissan dans le capital de Renault a permis à Nissan d'être directement intéressé aux résultats de son partenaire, comme c'était déjà le cas pour Renault, et d'obtenir un second siège au Conseil d'administration de Renault.

La mise en œuvre de la seconde étape de l'Alliance en 2002 avait pour objet de donner à l'Alliance une vision stratégique commune. Elle s'est traduite par la création de la société commune Renault-Nissan b.v. et d'un mode de gouvernance spécifique.

Depuis la signature du contrat de coopération stratégique avec Daimler, Renault détient une participation de 43,4 % dans Nissan tandis que la participation de Nissan dans Renault reste inchangée à 15 %.

Résultat d'un choix de principes fondateurs qui prône l'équilibre dans l'Alliance et fait jouer la complémentarité entre deux groupes d'envergure mondiale, l'Alliance a démontré sa capacité à accroître les performances propres de chacun de ses partenaires dans le respect de leur identité spécifique.

Facteurs de risque

Un investissement dans les Titres implique certains risques qui doivent être pris en compte préalablement à toute décision d'investissement.

Principaux facteurs de risque propres à l'Émetteur et à son activité

Il existe certains facteurs de risque qui pourraient affecter la capacité de l'Émetteur à remplir ses obligations à propos des titres émis dans le cadre du Programme.

(i) Risques financiers

- risque de liquidité ;
- risque de change ;
- risque de taux d'intérêt ;
- risque de contrepartie ;
- risque liés aux prix des matières premières.

(ii) Risques opérationnels

- risque Fournisseurs ;
- risques liés à l'implantation géographique ;

- risques clientèle et réseaux de RCI Banque ;
- risques industriels ;
- risques liés à l'environnement ;
- risque informatique.

(iii) Autres risques

- risques juridiques et contractuels ;
- risques liés aux engagements de retraite.

Facteurs de risques principaux liés aux Titres

De plus, certains facteurs sont importants afin d'évaluer les risques de marché liés aux Titres émis dans le cadre du Programme.

(i) Risques généraux liés aux Titres

- les investisseurs potentiels dans les Titres doivent réaliser une analyse indépendante de l'opportunité d'un tel investissement et prendre le cas échéant des conseils professionnels ;
- risques liés aux conflits d'intérêts potentiels : il peut exister des conflits d'intérêts entre l'Émetteur, les Agents de Placement et l'Agent de Calcul dans le cadre de l'émission de Titres ;
- risques liés à la légalité de l'acquisition des Titres ;
- risque lié à l'absence de marché secondaire actif pour les Titres : les Titres peuvent ne pas avoir un marché de négociations établi au moment de leur émission. Il ne peut être garanti qu'un marché actif des Titres se développera sur Euronext Paris ou qu'une liquidité existera à tout moment sur ce marché ainsi les investisseurs pourraient ne pas être en mesure de vendre leurs Titres avant la date d'échéance ;
- la notation de crédit peut ne pas refléter tous les risques : la notation du Programme ou des Titres ne reflète pas nécessairement l'impact potentiel de tous les risques liés aux Titres ni tous les autres facteurs (notamment la solvabilité de l'Émetteur) pouvant affecter la valeur des Titres ;
- risques liés aux stipulations des Titres concernant la modification, renonciation et substitution : une décision de l'assemblée des porteurs de Titres, par laquelle les porteurs non présents au vote ou en désaccord avec la majorité se retrouveront liés, pourra opérer une modification, renonciation ou substitution sur les modalités des Titres ;
- risques liés à la fiscalité, la Directive Européenne sur les revenus de l'épargne ;
- risques liés au changement de loi ;
- risque sur la devise dans laquelle les Titres sont libellés ;
- risque lié à la valeur de marché des Titres : la valeur de marché des Titres peut être affectée par la solvabilité de l'Émetteur ou du groupe et par certains autres facteurs ;

- risque lié à la loi française relative aux entreprises en difficultés ;

(ii) Risques liés à la structure d'une émission particulière de Titres

De plus, il y a certains risques liés à la structure d'une émission particulière de Titres, en particulier :

- risque lié à la faculté de remboursement anticipé des Titres de l'Emetteur : l'Emetteur pourra rembourser les Titres en cas de survenance de certaines circonstances liées à la fiscalité, ou si cela est prévu dans les Conditions Définitives concernées. Dans ces cas, un investisseur pourrait ne pas pouvoir réinvestir le produit du remboursement aux mêmes conditions que celles des Titres ainsi remboursés ;
- risques liés aux Titres à Taux Fixe, Titres à Taux Variable, Titres à Taux Variable Inversé, Titres à Taux Fixe puis Flottant, Titres émis avec une forte décote ou prime, Titres Liés à un Indice, Titres Partiellement Libérés, Titres à Taux Variable avec un coefficient multiplicateur ou autre effet de levier, Titres Structurés, Titres Subordonnés et aux Titres à Coupon Zéro.

Issuer Renault S.A.

1- History and development of the Issuer:

Renault is a *société anonyme* established under French law, governed by the French Commercial Code. Renault was formed on 16 January 1945. The fiscal year of Renault runs from 1 January to 31 December.

2- Description of Principal Activities

Since a final agreement was signed on January 2, 2001 with Volvo, leading to the contribution to Volvo of Renault's industrial vehicle activity, the Group's activities have been organized into two main business sectors:

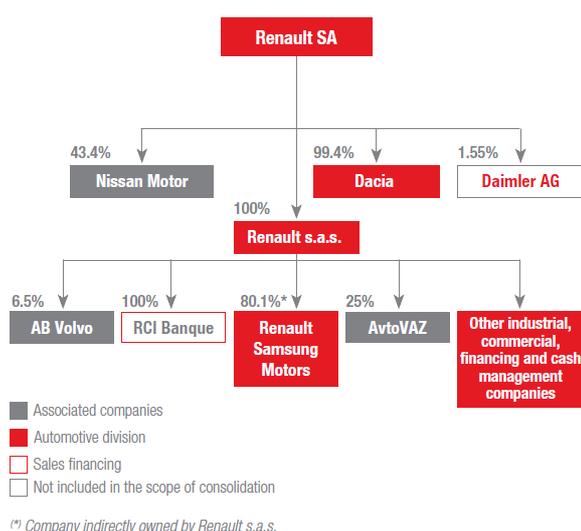

- Automotive;
- Sales Financing.

In addition to these two activities, Renault has three stakeholdings:

- in AB Volvo;
- in Nissan;
- in AvtoVAZ.

These holdings are accounted for by the equity method in the Group's financial statements.

Structure of the Renault group (as of 31 December 2010)

2.1 Automobile Division

Renault designs, develops and markets passenger cars and light commercial vehicles.

Following the acquisition of the Romanian carmaker Dacia and of Samsung Motors' operating assets in South Korea, Renault has three automobile brands, Renault, Dacia and Samsung.

2.2 Sales Financing Division

RCI Banque, the captive financing branch of Renault, finances sales of the Renault, Renault Samsung Motors (RSM), Dacia, and, in Europe, Nissan and Infiniti brands.

The RCI Banque group operates in 37 countries:

- in Europe: France, Austria, Belgium, Bosnia Herzegovina, Croatia, Czech Republic, Denmark, Estonia, Germany, Hungary, Italy, Latvia, Lithuania, Luxembourg, Malta, the Netherlands, Poland, Portugal, Serbia, Slovenia, Slovakia, Spain, Sweden, Switzerland, and the UK;
- in the Americas Region: Argentina, Brazil, Colombia and Mexico;
- in the Euromed Region: Algeria, Bulgaria, Morocco, Romania and Turkey;
- in the Eurasia Region: Russia and Ukraine;
- in the Asia-Africa Region: South Korea.

At December 31, 2010, the RCI Banque group had total assets of €24,110 million. The group employed an average of 2,842 people during the year, of whom 45.5% were in France.

In the Western European countries where the RCI Banque group is active, sales financing in 2010 accounted for 31.6% of the sales of new vehicles under the Renault and Nissan brands.

In its capacity as a brand financing entity, the group has the task of offering a complete range of credit and service solutions:

- customer activity (consumers and professionals):
 - to propose credit for new and used vehicles, rental with an option to buy, hire purchase, long-term rental and associated services, such as maintenance and warranty extension, insurance and assistance, fleet management and credit cards;
- networks:
 - finance inventories of new and used vehicles and spare parts, and fund dealers' long-term financing operations,
 - manage and control risks,
 - secure the network's future by standardizing financial procedures and monitoring them on a regular basis,
 - act as financial partner to the network.

2.3 Associated companies, partnerships and collaborative projects

Renault's holding in AB Volvo

In January 2001 Renault and Volvo merged the two companies' truck activities as part of AB Volvo. On October 7, 2010, Renault reduced its shareholding in the capital of Volvo by selling all of its 302,915,940 B shares, representing 14.2% of the capital and 3.8% of voting rights. Renault has kept its 138,604,945 A shares, which represent 6.5% of the capital (17.5% of voting rights) 6.8% of interest, after taking Volvo AB's self-owned shares into account. Renault remains the main shareholder of Europe's premier manufacturer of large trucks and the second largest manufacturer in the world. Renault is still represented on Volvo's Board by two Directors.

Renault's holding in AvtoVaz

Renault holds a 25% stake plus one share in AvtoVAZ – Russia's leading manufacturer – on an equal basis with the public holding company, Russian Technologies, and the Troika Dialog bank. The aim is to create a long-term partnership that will accelerate the transformation of AvtoVAZ into a global automotive player with a production capacity of over one million vehicles a year.

Renault's holding in Nissan

Renault holds 43.4% of the capital of Nissan. At December 31, 2010 the market value of the shares held by Renault totalled €13,959 million.

3- The Renault-Nissan Alliance

On March 27, 1999 Renault acquired a 36.8% equity stake in Nissan, together with Nissan's European finance subsidiaries, for a transaction amount of ¥643 billion (approximately €5 billion or \$5.4 billion at that time).

In accordance with the principles set out in the initial agreement signed in March 1999, the second stage of the Renault-Nissan Alliance was engaged in 2002. This phase strengthened the community of interests between Renault and Nissan, underpinned by stronger equity ties. It involved establishing an Alliance Board tasked with defining Alliance strategy and developing a joint long-term vision.

On March 1, 2002, Renault increased its equity stake in Nissan from 36.8% to 44.3% by exercising the warrants it had held since 1999.

At the same time, Nissan took a stake in Renault's capital through its wholly-owned subsidiary, Nissan Finance Co, Ltd., which acquired 15% of Renault's capital through two reserved capital increases, on March 29 and May 28, 2002.

By acquiring a stake in Renault, Nissan gained a direct interest in its partner's results, as was already the case for Renault in Nissan. Nissan also obtained a second seat on Renault's Board of Directors.

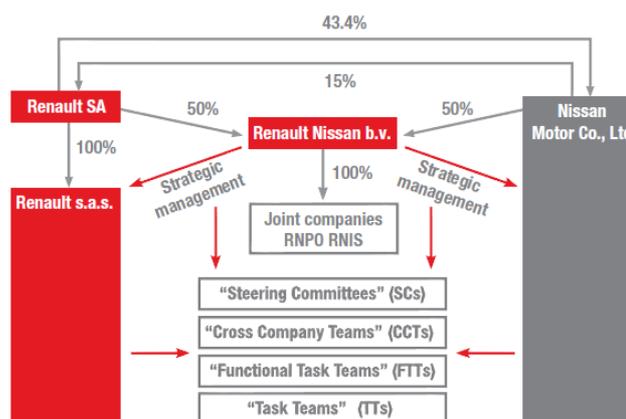

The purpose of the second phase of the Alliance in 2002 was to provide the Alliance with a common strategic vision, which resulted in the creation of Renault-Nissan b.v. and a specific

corporate governance policy.

Since the signing of the Strategic Cooperation with Daimler, Renault has a 43.4% stake while Nissan's stake in Renault remains unchanged at 15%.

As the result of founding principles chosen to promote the balance within the partnership and to capitalize on the complementary strengths of two groups with a global presence, the Alliance has demonstrated its capacity to improve the individual performance of both partners, while protecting their respective corporate and brand identities.

Principal risk factors relating to the Notes

In addition, there are certain factors which are material for the purpose of assessing the market risks associated with Notes.

(i) General risks relating to the Notes

- prospective investors must determine, based on their independent review, the suitability of such investment and take, as appropriate, professional advice in this respect;
- risk relating to potential conflicts of interest: there may be conflicts of interests between the Issuer, the Dealers and the Calculation Agent in connection with the issue of Notes;
- risk relating to the legality of purchase;
- risk relating to the absence of a secondary/trading market for the Notes: the Notes may not have an established trading market when issued. In addition, there are risks relating to the structure of a particular Series of Notes which include:

- risk relating to an optional redemption of the Notes by the Issuer: the Issuer may redeem the Notes following the occurrence of certain tax circumstances, or at its option if so specified in the relevant Final Terms. In such cases an investor may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the relevant Notes;
- risk relating to Fixed Rate Notes, Floating Rate Notes, Inverse Floating Rate Notes, Fixed to Floating Rate Notes, Notes issued at a substantial discount or premium, Index-Linked Notes, Partly-Paid Notes, Variable Rate Notes with a multiplier or other leverage factor, Structured Notes, Subordinated Notes and Zero Coupon Notes.

Tranches of Notes issued under the Programme may be rated or unrated. The rating of a Tranche of Notes (if any) will be specified in the Final Terms. The relevant Final Terms will specify whether or not such credit ratings are issued by a credit rating agency established in the European Union and registered under the CRA Regulation. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.

RISK FACTORS RELATING TO THE NOTES

The following paragraphs describe some risk factors that are material to the Notes to be offered and/or admitted to trading in order to assess the market risk associated with these Notes. They do not describe all the risks of an investment in the Notes. Prospective investors should consult their own financial and legal advisers about risks associated with investment in a particular Series of Notes and the suitability of investing in the Notes in light of their particular circumstances. These risk factors may be completed in the Final Terms of the relevant Notes for a particular issue of Notes.

1. General Risks Relating to the Notes

1.1 Independent Review and Advice

Each prospective investor of Notes must determine, based on its own independent review and such professional advice as it deems appropriate under the circumstances, that its acquisition of the Notes is fully consistent with its financial needs, objectives and condition, complies and is fully consistent with all investment policies, guidelines and restrictions applicable to it and is a fit, proper and suitable investment for it, notwithstanding the clear and substantial risks inherent in investing in or holding the Notes.

A prospective investor may not rely on the Issuer or the Dealer(s) or any of their respective affiliates in connection with its determination as to the legality of its acquisition of the Notes or as to the other matters referred to above.

1.2 Potential Conflicts of Interest

Each of the Issuer, the Dealer(s) or their respective affiliates may deal with and engage generally in any kind of commercial or investment banking or other business with any issuer of the securities taken up in an index, their respective affiliates or any guarantor or any other person or entities having obligations relating to any issuer of the securities taken up in an index or their respective affiliates or any guarantor in the same manner as if any index-linked Notes issued under the Programme did not exist, regardless of whether any such action might have an adverse effect on an issuer of the securities taken up in the index, any of their respective affiliates or any guarantor.

The Issuer may from time to time be engaged in transactions involving an index or related derivatives which may affect the market price, liquidity or value of the Notes and which could be deemed to be adverse to the interests of the Noteholders.

Potential conflicts of interest may arise between the calculation agent, if any, for a Tranche of Notes and the Noteholders, including with respect to certain discretionary determinations and judgements that such calculation agent may make pursuant to the Terms and Conditions that may influence the amount receivable upon redemption of the Notes.

1.3 Legality of Purchase

Neither the Issuer, the Dealer(s) nor any of their respective affiliates has or assumes responsibility for the lawfulness of the acquisition of the Notes by a prospective investor of the Notes, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective investor with any law, regulation or regulatory policy applicable to it.

1.4 No active Secondary/Trading Market for the Notes

Notes issued under the Programme will be new securities which may not be widely distributed and for which there may be no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single series with a Tranche of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer. Although in relation to Notes to be admitted to trading on Euronext Paris and/or any other Regulated Market in the European Economic Area, the Final Terms of the Notes will be filed with the *Autorité des marchés financiers* in France and/or with the competent authority of the Regulated Market of the European Economic Area where the Notes will be admitted to trading, there is no assurance that such filings will be accepted, that any particular Tranche of Notes

will be so admitted or that an active trading market will develop. Accordingly, there is no assurance as to the development or liquidity of any trading market for any particular Tranche of Notes.

1.5 Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

1.6 Modification, waivers and substitution

The conditions of the Notes contain provisions for calling General Meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant General Meeting and Noteholders who voted in a manner contrary to the majority.

1.7 Taxation

Potential purchasers and sellers of the Notes should be aware that they may be required to pay taxes or other documentary charges or duties in accordance with the laws and practices of the country where the Notes are transferred or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for innovative financial Notes such as the Notes. Potential investors are advised not to rely upon the tax summary contained in this Base Prospectus and/or in the Final Terms but to ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, sale and redemption of the Notes. Only these advisors are in a position to duly consider the specific situation of the potential investor. This investment consideration has to be read in connection with the taxation sections of this Base Prospectus and the additional tax sections, if any, contained in the relevant Final Terms.

1.8 EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income in the form of interest payments (the "**Savings Directive**"), Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) made by a paying agent located within their jurisdiction to an individual resident in that other Member State or to certain limited types of entities established in that other Member State. However, for a transitional period, Luxembourg and Austria are instead required (unless during that period the beneficiaries of interest payments elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

For these purposes, the term "paying agent" is defined widely and includes in particular any economic operator who is responsible for making interest payments, within the meaning of the Savings Directive, for the immediate benefit of individuals or certain entities.

The European Commission has proposed certain amendments to the Savings Directive which may, if implemented, amend or broaden the scope of the requirements described above.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. The Issuer is required to maintain a Paying Agent in a Member State that is not obliged to withhold or deduct tax pursuant to the Savings Directive.

1.9 Change of Law

The Terms and Conditions of the Notes are based on French law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change in French law or the official application or interpretation of French law after the date of this Base Prospectus.

1.10 Currency Risk

Prospective investors of the Notes should be aware that an investment in the Notes may involve exchange rate risks. The reference assets or the Notes may be denominated in a currency other than the currency of the purchaser's home jurisdiction; and/or the reference assets or the Notes may be denominated in a currency other than the currency in which a purchaser wishes to receive funds. Exchange rates between currencies are determined by factors of supply and demand in the international currency markets which are influenced by macro economic factors, speculation and central bank and government intervention (including the imposition of currency controls and restrictions). Fluctuations in exchange rates may affect the value of the Notes or the reference assets.

1.11 Market Value of the Notes

The market value of the Notes will be affected by the creditworthiness of the Issuer and a number of additional factors, including the value of the reference assets or an index, including, but not limited to, the volatility of the reference assets or an index, or the dividend on the securities taken up in the index, market interest and yield rates and the time remaining to the maturity date.

The value of the Notes, the reference assets or the index depends on a number of interrelated factors, including economic, financial and political events in France or elsewhere, including factors affecting capital markets generally and the stock exchanges on which the Notes, the reference assets, the securities taken up in the index, or the index are traded. The price at which a Noteholder will be able to sell the Notes prior to maturity may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser. The historical market prices of the reference assets or an index should not be taken as an indication of the reference assets' or an index's future performance during the term of any Note.

1.12 French Insolvency Law

Except as otherwise provided by the relevant Final Terms, holders of Notes will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a Masse (as defined in Condition 11 below).

Under French insolvency law, holders of debt securities are automatically grouped into a single assembly of holders (the **Assembly**) in order to defend their common interests in case of the opening in France of an accelerated financial safeguard (*procédure de sauvegarde financière accélérée*), a safeguard (*procédure de sauvegarde*) or a judicial reorganisation procedure (*procédure de redressement judiciaire*) is open in France with respect to the Issuer.

The Assembly comprises holders of all debt securities issued by the Issuer (including the Notes), whether or not under a debt issuance programme (such as the Programme) and regardless of their governing law. The Assembly deliberates on the draft safeguard plan (*projet de plan de sauvegarde*), draft accelerated financial safeguard plan (*projet de plan de sauvegarde financière accélérée*) or judicial reorganisation plan (*projet de plan de redressement*) applicable to the Issuer and may further agree to:

- increase the liabilities (*charges*) of holders of debt securities (including the Noteholders) by rescheduling due payments and/or writing-off receivables in the form of debt securities;
- establish an unequal treatment between holders of debt securities (including the Noteholders) as appropriate under the circumstances; and/or
- decide to convert debt securities (including the Notes) into shares or securities that give or may give access to the share capital.

Decisions of the Assembly will be taken by a two-third majority (calculated as a proportion of the debt securities held by the holders attending such Assembly or represented thereat). No quorum is required on convocation of the Assembly.

For the avoidance of doubt, the provisions relating to the Representation of the Noteholders described in the Terms and Conditions of the Notes set out in this Base Prospectus and, if applicable, the relevant Final Terms will not be applicable to the extent that they are not in compliance with compulsory insolvency law provisions that apply in these circumstances.

The procedures, as described above or as they will or may be amended, could have an adverse impact on holders of the Notes seeking repayment in the event that the Issuer or its subsidiaries were to become insolvent.

2. Risks related to the structure of a particular issue of Notes

The Programme allows for different types of Notes to be issued. Accordingly, each Tranche of Notes may carry varying risks for potential investors depending on the specific features of such Notes such as, *inter alia*, the provisions for computation of periodic interest payments, if any, redemption and issue price.

2.1 Notes subject to optional redemption by the Issuer

Unless in the case of any particular Tranche of Notes the relevant Final Terms specifies otherwise, in the event that the Issuer would be obliged to increase the amounts payable in respect of any Notes due to any withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by the country of domicile (or residence for tax purposes) by the Issuer, or on behalf of France, or any political subdivision thereof or any authority therein or thereof having power to tax, the Issuer may redeem all outstanding Notes in accordance with the Terms and Conditions.

In addition, if in the case of any particular Tranche of Notes the relevant Final Terms specifies that the Notes are redeemable at the Issuer's option in certain other circumstances the Issuer may choose to redeem the Notes at times when prevailing interest rates may be relatively low. During a period when the Issuer may elect, or has elected, to redeem Notes, such Notes may feature a market value not substantially above the price at which they can be redeemed. In such circumstances an investor may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the relevant Notes.

2.2 Fixed Rate Notes

Investment in Notes which bear interest at a fixed rate involves the risk that subsequent changes in market interest rates may adversely affect the value of the relevant Tranche of Notes.

2.3 Floating Rate Notes

Investment in Notes which bear interest at a floating rate comprise (i) a reference rate and (ii) a margin to be added or subtracted, as the case may be, from such base rate. Typically, the relevant margin will not change throughout the life of the Notes but there will be a periodic adjustment (as specified in the relevant Final Terms) of the reference rate (e.g., every three months or six months) which itself will change in accordance with general market conditions. Accordingly, the market value of floating rate Notes may be volatile if changes, particularly short term changes, to market interest rates evidenced by the relevant reference rate can only be reflected in the interest rate of these Notes upon the next periodic adjustment of the relevant reference rate.

2.4 Inverse Floating Rate Notes

Inverse floating rate Notes have an interest rate equal to a fixed base rate minus a rate based upon a reference rate. The market value of such Notes typically is more volatile than the market value of floating rate Notes based on the same reference rate (and with otherwise comparable terms). Inverse floating rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

2.5 Fixed to Floating Rate Notes

Fixed to floating rate Notes initially bear interest at a fixed rate; conversion from a fixed rate to a floating rate then takes place either automatically or at the option of the Issuer if certain predetermined conditions are met. The conversion (whether it be automatic or optional) of the interest rate will affect the secondary market and the market value of the Notes since the conversion may lead to a lower overall cost of borrowing. If a fixed rate is converted to a floating rate, the spread on the fixed to floating rate Notes may be less favourable than then prevailing spreads on comparable floating rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes.

2.6 Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

2.7 Index-Linked Notes

Index-linked Notes are debt securities which do not provide for predetermined redemption amounts and/or interest payments but amounts due in respect of principal and/or interest will be dependent upon the performance of an index, which itself may contain substantial credit, interest rate or other risks. The amount of principal and/or interest, if any, payable by the Issuer might be substantially less than the issue price or, as the case may be, the purchase price invested by the Noteholder and may even be zero in which case the Noteholder may lose his entire investment.

Index-linked Notes are not in any way sponsored, endorsed, sold or promoted by the index sponsor or the respective licensor of the index and such index sponsor or licensor makes no warranty or representation whatsoever, express or implied, either as to the results to be obtained from the use of the index and/or the figure at which the index stands at any particular time. Each index is determined, composed and calculated by its respective index sponsor or licensor, without regard to the relevant Issuer or the Notes. None of the index sponsors or licensors is responsible for or has participated in the determination of the timing of, prices at, or quantities of the Notes to be issued or in determination or calculation of the equation by which the Notes settle into cash. None of the index sponsors or licensors has any obligation or liability in connection with the administration, marketing or trading of the Notes. The index sponsor or licensor of an index has no responsibility for any calculation agency adjustment made for the index.

None of the Issuer, the Dealer(s) or any of their respective affiliates makes any representation as to an index. Any of such persons may have acquired, or during the term of the Notes may acquire, non-public information with respect to an index that is or may be material in the context of index-linked Notes. The issue of index-linked Notes will not create any obligation on the part of any such persons to disclose to the Noteholders or any other party such information (whether or not confidential).

2.8 Partly-paid Notes

The Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of his investment.

2.9 Variable rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features, their market values may be even more volatile than those for securities that do not include those features.

2.10 Structured Notes

An investment in Notes, the premium and/or the interest on or principal of which is determined by reference to one or more values of currencies, commodities, interest rates or other indices or formulae, either directly or inversely,

may entail significant risks not associated with similar investments in a conventional debt security, including the risks that the resulting interest rate will be less than that payable on a conventional debt security at the same time and/or that an investor may lose the value of its entire investment or part of it, as the case may be. Neither the current nor the historical value of the relevant currencies, commodities, interest rates or other indices or formulae should be taken as an indication of future performance of such currencies, commodities, interest rates or other indices or formulae during the term of any Note.

2.11 Subordinated Notes

In the event of any insolvency or liquidation of the Issuer, holders of Subordinated Notes would receive payments on any outstanding Subordinated Notes only after senior Noteholders and other senior creditors have been repaid in full, if and to the extent that there is still cash available for those payments. Thus, holders of Subordinated Notes generally face a higher performance risk than holders of senior Notes.

2.12 Zero Coupon Notes

The prices at which Zero Coupon Notes, as well as other Notes issued at a substantial discount from their principal amount payable at maturity, trade in the secondary market tend to fluctuate more in relation to general changes in interest rates than do the prices for conventional interest-bearing securities of comparable maturities.

RISK FACTORS RELATING TO THE ISSUER AND ITS OPERATIONS

The Renault group makes every effort to control the risks relating to its activities, namely operational risk, financial risk and legal risk. The chapter 1.6 of the 2010 Registration Document details the main risks and the company's strategies to reduce their likelihood and severity. However, as the Group expands internationally, enters new partnerships, and becomes more IT dependent – and as new malicious behaviors emerge – existing risks are aggravated and new ones created. These factors can increase the severity of potential crisis and the damage they may cause.

Financial risks

- Liquidity Risk:

Automotive must have sufficient financial resources at all times to finance the day-to-day running of the business and the investments needed for future expansion. In 2010 the net financial debt of Automotive dropped to €1,435 million at 12/31/2010 (compared with €5,921 million at 12/31/2009). Automotive needs to borrow regularly from banks and on capital markets to refinance its debt. This creates a liquidity risk if markets are frozen or credit is hard to access.

Sales Financing depends on access to financial resources for its business activities. Restricted access to banking and financial markets would force it to scale down its financing activities and/or lead to an increase in the cost of financing solutions.

At all times, and especially in difficult periods, RCI Banque must have sufficient financial resources to support the development of its activity. To this end, RCI Banque applies strict internal standards.

- Currency Risk:

Automotive is naturally exposed to currency risk in the course of its industrial and commercial activities. Foreign currency risk on these activities is monitored through Renault's Central Cash Management and Financing department.

The consolidated foreign exchange position of RCI Banque has always been very small. Therefore, the exposition of RCI Banque to foreign exchange risk is low.

- Interest Rate Risk:

The Renault group's exposure to interest rate risk is concentrated mainly in the Sales Financing business of RCI Banque and its subsidiaries. In this context, the overall interest rate risk represents the impact of a change in rates on the future financial gross margin.

For the Automotive division, interest rate risk can be assessed on the basis of debt and financial investments and the payment terms set out in the indenture (fixed or variable rate). Detailed information on these debts is indicated in note 24 to the consolidated financial statements.

- Counterparty Risk:

The Group is exposed to counterparty risk in its financial-market and banking transactions, in its management of foreign exchange and interest rate risk, and in the management of payment flows. It works with banking counterparties of the highest caliber and is not subject to any material concentration of risk.

- Commodity Risk:

The main commodity risk exposure is a price risk.

Operational Risks

- Suppliers Risk:

These risks are determined mainly by the quality and the durability of supplies, the financial health of suppliers and their respect of Renault's regulations and recommendations, in particular in terms of corporate social responsibility.

- Geographical Risk:

The Group has industrial and/or commercial operations in countries outside Europe ⁽¹⁾, notably Romania, Russia, Turkey, Morocco, South Africa, Brazil, Argentina, Colombia, Chile, Iran, South Korea and India. Group sales outside Europe account for 30% of revenues.

The Group's activities in these countries carry various risks, most commonly GDP volatility, economic and political instability, labor unrest, new regulations, payment collection problems, sharp fluctuations in interest and exchange rates, and foreign exchange controls.

- RCI Banque customer and network risk:

These factors depend on the quality of customer credit.

- Distribution Risk:

The type of risks to which Renault is exposed depends on the type of product distribution channel involved:

- at commercial import subsidiaries, the main risks are related to the use of sales and marketing resources;
- the main risk with importers is their financial health;
- through its network of distribution subsidiaries, grouped in Europe under the umbrella of Renault Retail Group, Renault's risks are primarily related to decentralization and the diversity of these entities;
- the financial situation of dealership networks is also a source of risk.

Another risk related to the Group's commercial activities is customer default.

- Industrial Risk:

The Group's exposure to industrial risk is potentially significant because its industrial operations are highly concentrated (see table of manufacturing sites, chapter 1.1.3.1 of the 2010 Registration Document) and its plants are interdependent. An active formal prevention policy is applied at all production plants, covering personal safety and the security of property and operations.

- Environmental Risk:

Alongside the systems and policies to reduce the environmental impact of vehicles in the design, manufacture, operation and recycling phases (see chapter 2.3 of the 2010 Registration Document - Environmental Performance), environmental risk at Renault comprises environmental impacts owing to malfunctions in its plants; harm to individuals; and pollution caused by past activities.

- IT Risk:

The Renault group's business depends in part on the orderly operation of Group IT systems. These are under the responsibility of the Information Systems department (DSIR), which has put in place a security policy, technical frameworks and processes to combat risks associated with:

- interruption of IT services, regardless of the cause;
- theft and destruction of computer data (confidentiality, integrity).

⁽¹⁾ The non-European Regions are Euromed, Eurasia, Asia-Africa and the Americas. From March 1, 2009 a new Regional breakdown was established as part of the new geographical organization steered by the Regional Management Committees (see the country list end of chapter 1.4.1).

Other risks

- Changes in regulations:

On September 14, 2004 the European Commission issued recommendations aimed at amending Directive 98/71 concerning the protection of designs and models. These recommendations call for the abrogation of protection of spare parts under design law. This proposal was validated by the European Parliament, with an amendment that provides for a five-year transition period. However, the proposal has yet to be adopted by the European Council of Ministers, owing to the co-decision process for the adoption of community directives. As such, the transition has not yet been made and existing Member State legislation still applies to designs and models. The sale of copies of spare parts after this date could have a negative impact on the earnings of the Group, which currently generates around 1.5% of its revenues from the sale of so-called captive parts, which are protected under design law.

- Granting of licenses for industrial property rights:

The Group may use patents held by third parties under licensing agreements negotiated with such parties. Each year, Renault S.A.S. files several hundred patents (see chapter 1.5 of the 2010 Registration Document – Research and Development), some of which are included in fee-paying licenses granted to third parties.

As part of the sale of Renault V.I. to Volvo, Renault granted a license to use the Renault brand name to the Volvo group in a contract signed on January 2, 2001 regarding commercial vehicles (3.5 tons and over). This is a perpetual worldwide license used by the Volvo group at its own risk.

Reg. §1.163-5(c)(2)(i)(C) (the “**C Rules**”) or (ii) such Materialised Notes are issued other than in compliance with the D Rules or the C Rules but in circumstances in which the Notes will not constitute “registration required obligations” under the United States Tax Equity and Fiscal Responsibility Act of 1982 (“**TEFRA**”), which circumstances will be referred to in the relevant Final Terms as a transaction to which TEFRA is not applicable.

The TEFRA rules do not apply to any Dematerialised Notes.

may be rated or unrated. Notes, whether Unsubordinated or Subordinated, will have such rating, if any, as is assigned to them by the relevant rating organisation as specified in the relevant Final Terms. Where an issue of Notes is rated, its rating will not necessarily be the same as the rating assigned under the Programme. Each of S&P and Moody's is established in the European Union and has applied for registration under Regulation (EC) No 1060/2009 (the **CRA Regulation**), although the result of such applications has not yet been determined.

Tranches of Notes issued under the Programme may be rated or unrated. The rating of a Tranche of Notes (if any) will be specified in the Final Terms. The relevant Final Terms will specify whether or not such credit ratings are issued by a credit rating agency established in the European Union and registered under the CRA Regulation. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.

TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions that, subject to completion and amendment and as supplemented or varied in accordance with the provisions of the relevant Final Terms, shall be applicable to the Notes. In the case of Dematerialised Notes, the text of the terms and conditions will not be endorsed on physical documents of title but will be constituted by the following text as completed, amended or varied by the relevant Final Terms. In the case of Materialised Notes, either (i) the full text of these terms and conditions together with the relevant provisions of the Final Terms or (ii) these terms and conditions as so completed, amended, supplemented or varied (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed or attached on Definitive Materialised Bearer Notes. All capitalised terms that are not defined in these Conditions will have the meanings given to them in the relevant Final Terms. References in the Conditions to “Notes” are to the Notes of one Series only, not to all Notes that may be issued under the Programme.

The Notes are issued by Renault S.A. (the “**Issuer**” or “**Renault**”) with the benefit of an amended and restated agency agreement dated 10 June 2011 between the Issuer and BNP Paribas Securities Services as fiscal agent (the “**Agency Agreement**”). The fiscal agent, the paying agent, the redenomination agent, the consolidation agent and the calculation agent(s) for the time being (if any) are referred to below respectively as the “**Fiscal Agent**”, the “**Paying Agents**” (which expression shall include the Fiscal Agent), the “**Redenomination Agent**”, the “**Consolidation Agent**” and the “**Calculation Agent(s)**”. References below to “**Conditions**” are, unless the context requires otherwise, to the numbered paragraphs below.

Certain defined terms contained in the 2007 FBF Master Agreement relating to transactions on forward financial instruments as supplemented by the Technical Schedules published by the AFB or the FBF (together the “**FBF Master Agreement**”) have either been used or reproduced in Condition 5 below.

Copies of the Agency Agreement and of the FBF Master Agreement are available for inspection during normal business hours at the specified offices of each of the Paying Agents.

For the purpose of these Terms and Conditions, “**Regulated Market**” means any regulated market situated in a Member State of the European Economic Area (“**EEA**”) as defined in the Markets in Financial Instrument Directive 2004/39/EC.

1. Form, Denomination(s), Title, Redenomination

(a) **Form:** Notes may be issued either in dematerialised form (“**Dematerialised Notes**”) or in materialised form (“**Materialised Notes**”).

(i) Title to Dematerialised Notes will be evidenced in accordance with Article L. 211-3 and *seq.* of the French *Code monétaire et financier* by book entries (*inscriptions en compte*). No physical document of title (including *certificats représentatifs* pursuant to Article R. 211-7 of the French *Code monétaire et financier*) will be issued in respect of the Dematerialised Notes.

Dematerialised Notes are issued, at the option of the Issuer, in either bearer dematerialised form (*au porteur*), which will be inscribed in the books of Euroclear France (“**Euroclear France**”) (acting as central depository) which shall credit the accounts of Account Holders, or in registered dematerialised form (*au nominatif*) and, in such latter case, at the option of the relevant Noteholder in either administered registered form (*au nominatif administré*) inscribed in the books of an Account Holder or in fully registered form (*au nominatif pur*) inscribed in an account in the books of Euroclear France maintained by the Issuer or the registration agent (designated in the relevant Final Terms) acting on behalf of the Issuer (the “**Registration Agent**”).

For the purpose of these Conditions, “**Account Holder**” means any intermediary institution entitled to hold accounts, directly or indirectly, with Euroclear France, and includes Euroclear Bank S.A./N.V. (“**Euroclear**”) and the depository bank for Clearstream Banking, société anonyme (“**Clearstream, Luxembourg**”).

- (ii) Materialised Notes are issued in bearer form (“**Materialised Bearer Notes**”). Materialised Bearer Notes are serially numbered and are issued with coupons (each, a “**Coupon**”) and, where appropriate, a talon (a “**Talon**”) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Instalment Notes are issued with one or more Receipts attached.

In accordance with Article L. 211-3 and seq. of the French Code monétaire et financier, securities (such as Notes) which are governed by French law and are in materialised form must be issued outside the French territory.

Materialised Notes and Dematerialised Notes may also be cleared through one or more clearing system(s) other than or in addition to Euroclear France, Euroclear and/or Clearstream Luxembourg, as may be specified in the relevant Final Terms.

- (b) **Denomination(s):** Notes shall be issued in the specified denomination(s) as set out in the relevant Final Terms (the “**Specified Denomination(s)**”) save that the minimum denomination of each Note admitted to trading on a Regulated Market in circumstances which require the publication of a Base Prospectus under the Prospectus Directive will be €1,000 (or, if the Notes are denominated in a currency other than euro, the equivalent amount in such currency at the issue date) or such other higher amount as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the relevant Specified Currency). Dematerialised Notes shall be issued in one Specified Denomination only.

(c) **Title:**

- (i) Title to Dematerialised Notes in bearer dematerialised form (*au porteur*) and in administered registered form (*au nominatif administré*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts of Account Holders. Title to Dematerialised Notes in fully registered form (*au nominatif pur*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts of the Issuer or the Registration Agent.
- (ii) Title to Materialised Bearer Notes in definitive form having, where appropriate, Coupons, Receipt(s) and/or a Talon attached thereto on issue (“**Definitive Materialised Bearer Notes**”), shall pass by delivery.
- (iii) Except as ordered by a court of competent jurisdiction or as required by law, the holder of any Note (as defined below), Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, or an interest in it, any writing on it or its theft or loss and no person shall be liable for so treating the holder.
- (iv) In these Conditions, “**holder of Notes**” or “**holder of any Note**”, or “**Noteholder**” means (i) in the case of Dematerialised Notes, the person whose name appears in the account of the relevant Account Holder or the Issuer or the Registration Agent (as the case may be) as being entitled to such Notes and (ii) in the case of Materialised Notes, the bearer of any Definitive Materialised Bearer Note and the Receipts, Coupons (“**Receiptholder**” and “**Couponholder**” being construed accordingly), or Talon relating to it, and capitalised terms have the meanings given to them in the relevant Final Terms, the absence of any such meaning indicating that such term is not applicable to the Notes.

(d) **Redenomination:**

- (i) The Issuer may (if so specified in the relevant Final Terms), on any Interest Payment Date, without the consent of the holder of any Note, Receipt, Coupon or Talon, by giving at least 30 days’ notice in accordance with Condition 15 and on or after the date on which the European

Member State in whose national currency the Notes are denominated has become a participating Member State in the single currency of the European Economic and Monetary Union (as provided in the Treaty establishing the European Community (the “EC”), as amended from time to time (the “Treaty”)), or events have occurred which have substantially the same effects (in either case, “EMU”), redenominate all, but not some only, of the Notes of any Series into Euro and adjust the aggregate principal amount and the Specified Denomination(s) set out in the relevant Final Terms accordingly, as described below. The date on which such redenomination becomes effective shall be referred to in these Conditions as the “Redenomination Date”.

- (ii) Unless otherwise specified in the relevant Final Terms, the redenomination of the Notes pursuant to Condition 1(d)(i) shall be made by converting the principal amount of each Note from the relevant national currency into Euro using the fixed relevant national currency Euro conversion rate established by the Council of the European Union pursuant to applicable regulations of the Treaty and rounding the resultant figure to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). If the Issuer so elects, the figure resulting from conversion of the principal amount of each Note using the fixed relevant national currency Euro conversion rate shall be rounded down to the nearest Euro. The Euro denominations of the Notes so determined shall be notified to Noteholders in accordance with Condition 15. Any balance remaining from the redenomination with a denomination higher than Euro 0.01 shall be paid by way of cash adjustment rounded to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). Such cash adjustment will be payable in Euro on the Redenomination Date in the manner notified to Noteholders by the Issuer.
- (iii) Upon redenomination of the Notes, any reference in the relevant Final Terms to the relevant national currency shall be construed as a reference to Euro.
- (iv) Unless otherwise specified in the relevant Final Terms, the Issuer may, with the prior approval of the Redenomination Agent and the Consolidation Agent, in connection with any redenomination pursuant to this Condition or any consolidation pursuant to Condition 14, without the consent of the holder of any Note, Receipt, Coupon or Talon, make any changes or additions to these Conditions or Condition 14 (including, without limitation, any change to any applicable business day definition, business day convention, principal financial centre of the country of the Specified Currency, interest accrual basis or benchmark), taking into account market practice in respect of redenominated euromarket debt obligations and which it believes are not prejudicial to the interests of such holders. Any such changes or additions shall, in the absence of manifest error, be binding on the holders of Notes, Receipts, Coupons and Talons and shall be notified to Noteholders in accordance with Condition 15 as soon as practicable thereafter.
- (v) Neither the Issuer nor any Paying Agent shall be liable to the holder of any Note, Receipt, Coupon or Talon or other person for any commissions, costs, losses or expenses in relation to or resulting from the credit or transfer of Euro or any currency conversion or rounding effected in connection therewith.

2. Conversion and Exchanges of Notes

(a) Dematerialised Notes

- (i) Dematerialised Notes issued in bearer dematerialised form (*au porteur*) may not be converted into Dematerialised Notes in registered dematerialised form, whether in fully registered form (*au nominatif pur*) or in administered registered form (*au nominatif administré*).
- (ii) Dematerialised Notes issued in registered dematerialised form (*au nominatif*) may not be converted into Dematerialised Notes in bearer dematerialised form (*au porteur*).

with Article R.211-4 of the French *Code monétaire et financier*. Any such conversion shall be effected at the cost of such Noteholder.

If any judgement is rendered by any competent court declaring the transfer of the whole of its business (*cession totale de l'entreprise*) or the judicial liquidation (*liquidation judiciaire*) of the Issuer or if the Issuer is liquidated for any other reason, the rights of payment of the holders of Subordinated Notes shall be subordinated to the payment in full of unsubordinated creditors and, subject to such payment in full, the holders of Subordinated Notes shall be paid in priority to any *prêts participatifs* granted to and to any *titres participatifs* issued by the Issuer. In the event of incomplete payment of unsubordinated creditors, the obligations of the Issuer in connection with the Subordinated Notes will be terminated. The holders of Subordinated Notes shall take all steps necessary for the orderly accomplishment of any collective proceedings or voluntary liquidation.

(ii) Dated Subordinated Notes

Unless otherwise specified in the relevant Final Terms, payments of interest relating to Dated Subordinated Notes constitute obligations which rank equally with the obligations of the Issuer in respect of Unsubordinated Notes issued by the Issuer in accordance with Condition 3(a).

to either FBF Determination or ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified in the relevant Final Terms.

(A) FBF Determination for Floating Rate Notes

Where FBF Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant FBF Rate. For the purposes of this sub-paragraph (A), “**FBF Rate**” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Transaction under the terms of an agreement incorporating the FBF Definitions and under which:

- (a) the Floating Rate is as specified in the relevant Final Terms and
- (b) the relevant Floating Rate Determination Date (*Date de Détermination du Taux Variable*) is the first day of that Interest Accrual Period unless otherwise specified in the relevant Final Terms

For the purposes of this sub-paragraph (A), “Floating Rate” (*Taux Variable*), “Calculation Agent” (*Agent*), “Floating Rate Determination Date” (*Date de Détermination du Taux Variable*) and “Transaction” (*Transaction*) have the meanings given to those terms in the FBF Definitions, provided that “Euribor” means the rate calculated for deposits in euro which appears on Reuters Page EURIBOR01, as more fully described in the relevant Final Terms.

(B) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any). For the purposes of this sub-paragraph (B), “**ISDA Rate**” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (a) the Floating Rate Option is as specified in the relevant Final Terms
- (b) the Designated Maturity is a period specified in the relevant Final Terms and
- (c) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified in the relevant Final Terms.

For the purposes of this sub-paragraph (B), “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**”, “**Reset Date**” and “**Swap Transaction**” have the meanings given to those terms in the ISDA Definitions.

(C) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent at or about the Relevant Time on the Interest Determination Date in respect of such Interest Accrual Period in accordance with the following:

- (a) if the Primary Source for Floating Rate is a Page, subject as provided below, the Rate of Interest shall be:

- (i) the Relevant Rate (where such Relevant Rate on such Page is a composite quotation or is customarily supplied by one entity) or
- (ii) the arithmetic mean of the Relevant Rates of the persons whose Relevant Rates appear on that Page,

in each case appearing on such Page at the Relevant Time on the Interest Determination Date

- (b) if the Primary Source for the Floating Rate is Reference Banks or if sub-paragraph (a)(i) applies and no Relevant Rate appears on the Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (a)(ii) applies and fewer than two Relevant Rates appear on the Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Rate of Interest shall be the arithmetic mean of the Relevant Rates that each of the Reference Banks is quoting to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Calculation Agent and

- (c) if paragraph (b) above applies and the Calculation Agent determines that fewer than two Reference Banks are so quoting Relevant Rates, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) that the Calculation Agent determines to be the rates (being the nearest equivalent to the Benchmark) in respect of a Representative Amount of the Specified Currency that at least two out of five leading banks selected by the Calculation Agent in the principal financial centre of the country of the Specified Currency or, if the Specified Currency is Euro, in the Euro-zone as selected by the Calculation Agent (the “**Principal Financial Centre**”) are quoting at or about the Relevant Time on the date on which such banks would customarily quote such rates for a period commencing on the Effective Date for a period equivalent to the Specified Duration (I) to leading banks carrying on business in Europe, or (if the Calculation Agent determines that fewer than two of such banks are so quoting to leading banks in Europe) (II) to leading banks carrying on business in the Principal Financial Centre; except that, if fewer than two of such banks are so quoting to leading banks in the Principal Financial Centre, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).

- (iv) *Rate of Interest for Index Linked Interest Notes:* The Rate of Interest in respect of Index Linked Interest Notes for each Interest Accrual Period shall be determined in the manner specified in the relevant Final Terms and interest will accrue by reference to an Index or Formula as specified in the relevant Final Terms.

- (d) **Zero Coupon Notes:** Where a Note the Interest Basis of which is specified to be Zero Coupon and is repayable prior to the Maturity Date is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(e)(i)).

- (e) **Dual Currency Notes:** In the case of Dual Currency Notes, if the rate or amount of interest falls to be determined by reference to a Rate of Exchange or a method of calculating a Rate of Exchange, the rate or amount of interest payable shall be determined in the manner specified in the relevant Final Terms.

- (f) **Partly Paid Notes:** In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the relevant Final Terms.
- (g) **Accrual of interest:** Interest shall cease to accrue on each Note on the due date for redemption unless (i) in the case of Dematerialised Notes, on such due date or (ii) in the case of Materialised Notes, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date (as defined in Condition 8).
- (h) **Deferral of interest:** In the case of Undated Subordinated Notes, interest shall be payable on each Compulsory Interest Payment Date (as defined below) in respect of the interest accrued in the Interest Period ending on the day immediately preceding such date. On any Optional Interest Payment Date (as defined below) there may be paid (if the Issuer so elects) the interest accrued in the Interest Period ending on the day immediately preceding such date but the Issuer shall not have any obligation to make such payment. Notice of any Optional Interest Payment Date shall (for so long as the rules of, or applicable to, any Regulated Market so require) be given to the Noteholders in accordance with Condition 15 and to the relevant Regulated Market. Such notice shall be given at least seven days prior to the relevant Optional Interest Payment Date(s). Any interest not paid on an Optional Interest Payment Date shall, so long as the same remains unpaid, constitute “**Arrears of Interest**” which term shall include interest on such unpaid interest as referred to below. Arrears of Interest may, at the option of the Issuer, be paid in whole or in part at any time upon the expiration of not less than seven days’ notice to such effect given to the Noteholders in accordance with Condition 15 but all Arrears of Interest on all Undated Subordinated Notes outstanding shall become due in full on whichever is the earliest of:
- (i) the Interest Payment Date immediately following the date upon which the General Meeting passed a resolution to pay a dividend on the ordinary share capital of the Issuer and
 - (ii) (a) a judgement rendered by any competent court declaring the transfer of the whole of the business (*cession totale de l’entreprise*) or the judicial liquidation (*liquidation judiciaire*) of the Issuer or (b) the liquidation of the Issuer for any other reason.

If notice is given by the Issuer of its intention to pay the whole or part of Arrears of Interest, the Issuer shall be obliged to do so upon the expiration of such notice. When Arrears of Interest are paid in part, each such payment shall be applied in or towards satisfaction of the full amount of the Arrears of Interest accrued in respect of the earliest Interest Period in respect of which Arrears of Interest have accrued and have not been paid in full. Arrears of Interest shall (to the extent permitted by law) bear interest accruing (but only, in accordance with Article 1154 of the Civil Code, after such interest has been due for a period of at least one year) and compounding on the basis of the exact number of days which have elapsed at the prevailing rate of interest on the Undated Subordinated Notes in respect of each relevant Interest Period. For these purposes the following expressions have the following meanings:

“**Compulsory Interest Payment Date**” means any Interest Payment Date unless at the General Meeting of the shareholders of the Issuer immediately preceding such date which was required to approve the annual accounts of the Issuer for the fiscal year ended prior to such General Meeting, no resolution was passed to pay a dividend on the ordinary share capital of the Issuer in respect of such previous fiscal year.

“**Optional Interest Payment Date**” means any Interest Payment Date, as the case may be, other than a Compulsory Interest Payment Date.

- (i) **Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts, Rate Multipliers and Rounding**
- (i) If any Margin or Rate Multiplier is specified in the relevant Final Terms (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in

the case of (y), calculated in accordance with (c) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin or multiplying by such Rate Multiplier, subject always to the next paragraph

- (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be
 - (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “unit” means the lowest amount of such currency that is available as legal tender in the country(ies) of such currency.
- (j) **Calculations:** The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Note by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in respect of such period, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.
- (k) **Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Optional Redemption Amounts, Early Redemption Amounts and Instalment Amounts:** As soon as practicable after the relevant time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, it shall determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Notes for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Optional Redemption Amount, Early Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Optional Redemption Amount, Early Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are admitted to trading on a Regulated Market and the rules of, or applicable to, such Regulated Market so require, such Regulated Market as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such Regulated Market of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(c)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.
- (l) **Calculation Agent and Reference Banks:** The Issuer shall use its best efforts to procure that there shall at all times be four Reference Banks (or such other number as may be required by the Conditions) with offices in the Relevant Financial Centre and one or more Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any Note is outstanding (as defined in the Agency

Agreement). If any Reference Bank (acting through its relevant office) is unable or unwilling to continue to act as a Reference Bank, then the Issuer shall appoint another Reference Bank with an office in the Relevant Financial Centre to act as such in its place. Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal Paris office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid. So long as the Notes are admitted to trading on a Regulated Market and the rules of, or applicable to, that Regulated Market so require, notice of any change of Calculation Agent shall be given in accordance with Condition 15.

6. Redemption, Purchase and Options

- (a) **Final Redemption:** Unless previously redeemed, purchased and cancelled as provided below or its maturity is extended pursuant to any option provided by the relevant Final Terms including any Issuer's option in accordance with Condition 6(c) or any Noteholders' option in accordance with Condition 6(d), each Note shall be finally redeemed on the Maturity Date specified in the relevant Final Terms at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount) or, in the case of a Note falling within Condition 6(b) below, its final Instalment Amount.
- (b) **Redemption by Instalments and Final Redemption:** Unless previously redeemed, purchased and cancelled as provided in this Condition 6 or the relevant Instalment Date (being one of the dates so specified in the relevant Final Terms) is extended pursuant to any Issuer's or Noteholder's option in accordance with Condition 6(c) or 6(d), each Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified in the relevant Final Terms. The outstanding nominal amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused (i) in the case of Dematerialised Notes, on the due date for such payment or (ii) in the case of Materialised Notes, on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.
- (c) **Redemption at the Option of the Issuer, Exercise of Issuer's Options and Partial Redemption:** If a Call Option is specified in the relevant Final Terms, the Issuer may, subject to compliance by the Issuer with all relevant laws, regulations and directives and on giving not less than 15 nor more than 30 days' irrevocable notice in accordance with Condition 15 to the Noteholders (or such other notice period as may be specified in the relevant Final Terms), redeem or exercise any Issuer's option (as may be described) in relation to all, or, if so provided, some, of the Notes on any Optional Redemption Date or Option Exercise Date, as the case may be. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption (including, where applicable, any Arrears of Interest), if any. Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the minimum nominal amount to be redeemed specified in the relevant Final Terms and no greater than the maximum nominal amount to be redeemed specified in the relevant Final Terms.

All Notes in respect of which any such notice is given shall be redeemed, or the Issuer's option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's option in respect of Materialised Notes, the notice to holders of such Materialised Notes shall also contain the number of the Definitive Materialised Bearer Notes to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and Regulated Market requirements.

In the case of a partial redemption of or a partial exercise of an Issuer's option in respect of Dematerialised Notes, the redemption may be effected, at the option of the Issuer, either (i) by reducing the nominal amount of all such Dematerialised Notes in a Series in proportion to the aggregate nominal amount redeemed or (ii) by redeeming in full some only of such Dematerialised Notes and, in such latter case, the choice between those Dematerialised Notes that will be fully redeemed and those Dematerialised Notes of any Series that will not be redeemed shall be made in accordance with Article R.213-16 of the French *Code monétaire et financier* and the provisions of the relevant Final Terms, subject to compliance with any other applicable laws and Regulated Market requirements.

So long as the Notes are admitted to trading on Euronext Paris and the rules of, or applicable to, such Regulated Market require, the Issuer shall, each time there has been a partial redemption of the Notes, cause to be published in accordance with Article 221-3 and 221-4 of the General Regulations (*Règlement Général*) of the *Autorité des marchés financiers* (the "AMF") and on the website of any other competent authority and/or Regulated Market of the EEA Member State where the Notes are listed and admitted to trading, a notice specifying the aggregate nominal amount of Notes outstanding and, in the case of Materialised Notes, a list of any Definitive Materialised Bearer Notes drawn for redemption but not surrendered.

- (d) **Redemption at the Option of Noteholders and Exercise of Noteholders' Options:** If a Put Option is specified in the relevant Final Terms the Issuer shall, at the option of the Noteholder, upon the Noteholder giving not less than 15 nor more than 30 days' notice to the Issuer (or such other notice period as may be specified in the relevant Final Terms) redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption including, where applicable, any Arrears of Interest.

To exercise such option or any other Noteholders' option that may be set out in the relevant Final Terms (which must be exercised on an Option Exercise Date) the Noteholder must deposit with any Paying Agent at its specified office during usual business hours a duly completed option exercise notice (the "**Exercise Notice**") in the form obtained during usual business hours from any Paying Agent or the Registration Agent, as the case may be, within the notice period. Such notice shall, in the case of Materialised Bearer Notes, have attached to it such Note (together with all unexpired Receipts and Coupons and unexchanged Talons). In the case of Dematerialised Notes, the Noteholder shall transfer, or cause to be transferred, the Dematerialised Notes to be redeemed to the account of the Paris Paying Agent specified in the Exercise Notice. No option so exercised and, where applicable, no Note so deposited or transferred may be withdrawn without the prior consent of the Issuer.

- (e) **Early Redemption:**

(i) Zero Coupon Notes:

- (A) The Early Redemption Amount payable in respect of any Zero Coupon Note, the Early Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such Note pursuant to Condition 6(f) or upon it becoming due and payable as provided in Condition 9 shall be the Amortised Nominal Amount (calculated as provided below) of such Note unless otherwise specified in the relevant Final Terms.
- (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Nominal Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the

Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown in the relevant Final Terms, shall be such rate as would produce an Amortised Nominal Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.

- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(f) or upon it becoming due and payable as provided in Condition 9 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Nominal Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Amortised Nominal Amount becomes due and payable were the Relevant Date. The calculation of the Amortised Nominal Amount in accordance with this sub-paragraph shall continue to be made (as well after as before judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(d).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown in the relevant Final Terms.

- (ii) Other Notes:

The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 6(f), or upon it becoming due and payable as provided in Condition 9 shall be the Final Redemption Amount together with interest accrued to the date fixed for redemption (including, where applicable, any Arrears of Interest) unless otherwise specified in the relevant Final Terms.

(f) **Redemption for Taxation Reasons:**

- (i) If, by reason of any change in French law, or any change in the official application or interpretation of such law, becoming effective after the Issue Date, the Issuer would on the occasion of the next payment of principal or interest due in respect of the Notes, not be able to make such payment without having to pay additional amounts as specified under Conditions 8(a) and 8(b) below, the Issuer may, at its option, on any Interest Payment Date or, if so specified in the relevant Final Terms, at any time, subject to having given not more than 60 nor less than 30 days' notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 15, redeem all, but not some only, of the Notes at their Early Redemption Amount together with, unless otherwise specified in the relevant Final Terms, any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest) provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes.
- (ii) If the Issuer would on the next payment of principal or interest in respect of the Notes be prevented by French law from making payment to the Noteholders or, if applicable, Couponholders of the full amounts then due and payable, notwithstanding the undertaking to pay additional amounts contained in Conditions 8(a) and 8(b) below, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall upon giving not less than seven days' prior notice to the Noteholders in accordance with Condition 15, redeem all, but not some only, of the Notes then outstanding at their Redemption Amount together with, unless otherwise specified in the relevant Final Terms, any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest) on (A) the latest practicable Interest

Payment Date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice of Noteholders shall be the later of (i) the latest practicable date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes and (ii) 14 days after giving notice to the Fiscal Agent as aforesaid or (B) if so specified in the relevant Final Terms, at any time, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date at which the Issuer could make payment of the full amount payable in respect of the Notes, or, if applicable, Receipts or Coupons or, if that date is passed, as soon as practicable thereafter.

- (g) **Partly Paid Notes:** Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the provisions specified in the relevant Final Terms.
- (h) **Purchases:** The Issuer shall have the right at all times to purchase Notes (provided that, in the case of Materialised Notes, all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price, subject to the applicable laws and/or regulations. Unless otherwise specified in the Final Terms, all Notes so purchased by the Issuer may be held and resold in accordance with Articles L. 213-1 A and D. 213-1-A of the French *Code monétaire et financier* for the purpose of enhancing the liquidity of the Notes.
- (i) **Cancellation:** So long as French law so requires, all Notes purchased for cancellation by or on behalf of the Issuer will forthwith be cancelled, in the case of Dematerialised Notes, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Materialised Bearer Notes, by surrendering to the Fiscal Agent the Temporary Global Certificate and the Definitive Materialised Bearer Notes in question together with all unmatured Receipts and Coupons and all unexchanged Talons and, in each case, if so transferred or surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with, in the case of Dematerialised Notes, all rights relating to payment of interest and other amounts relating to such Dematerialised Notes and, in the case of Materialised Notes, all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so cancelled or, where applicable, transferred or surrendered for cancellation may not be re-issued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.
- (j) **Illegality:** If, by reason of any change in French law, or any change in the official application of such law, becoming effective after the Issue Date, it will become unlawful for the Issuer to perform or comply with one or more of its obligations under the Notes, the Issuer will, subject to having given not more than 45 nor less than 30 days' notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 15, redeem all, but not some only, of the Notes at their Early Redemption Amount together with any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest).

7. Payments and Talons

- (a) **Dematerialised Notes:** Payments of principal and interest (including, for the avoidance of doubt, any Arrears of Interest, where applicable) in respect of Dematerialised Notes shall (in the case of Dematerialised Notes in bearer dematerialised form or administered registered form) be made by transfer to the account denominated in the relevant currency of the relevant Account Holders for the benefit of the Noteholders and, (in the case of Dematerialised Notes in fully registered form), to an account denominated in the relevant currency with a Bank (as defined below) designated by the Noteholders. All payments validly made to such Account Holders will be an effective discharge of the Issuer in respect of such payments.
- (b) **Materialised Bearer Notes:** Payments of principal and interest (including, for the avoidance of doubt, any Arrears of Interest, where applicable) in respect of Materialised Bearer Notes shall, subject as

mentioned below, be made against presentation and surrender during usual business hours of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its relative Note), Materialised Bearer Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 7(f)(vi)) or Coupons (in the case of interest, save as specified in Condition 7(f)(vi)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the Noteholder, by transfer to an account denominated in such currency with, a Bank.

“**Bank**” means a bank in the principal financial centre for such currency or, in the case of Euro, in a city in which banks have access to the TARGET System.

- (c) **Payments in the United States:** Notwithstanding the foregoing, if any Materialised Bearer Notes are denominated in U.S. Dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.
- (d) **Payments Subject to Fiscal Laws:** All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in the place of payment but without prejudice to the provisions of Condition 8. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.
- (e) **Appointment of Agents:** The Fiscal Agent, the Paying Agents, the Calculation Agent, the Redenomination Agent and the Consolidation Agent initially appointed by the Issuer and their respective specified offices are listed below. The Fiscal Agent, the Paying Agents, the Redenomination Agent, the Consolidation Agent and the Registration Agent act solely as agents of the Issuer and the Calculation Agent(s) act(s) as independent experts(s) and, in each case such, do not assume any obligation or relationship of agency for any Noteholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, the Redenomination Agent, the Consolidation Agent and the Registration Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents, provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) one or more Calculation Agent(s) where the Conditions so require, (iii) a Redenomination Agent and a Consolidation Agent where the Conditions so require, (iv) Paying Agents having specified offices in at least two major European cities (v) in the case of Materialised Notes, a Paying Agent with a specified office in a European Union Member State (which may be any of the Paying Agents referred to in (iv) above) that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments, or any other European Union Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income, or any law implementing or complying with, or introduced in order to conform to, such Directive, (vi) in the case of Dematerialised Notes, in fully registered form, a Registration Agent and (vii) such other agents as may be required by any other Regulated Market on which the Notes may be admitted to trading.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Materialised Bearer Notes denominated in U.S. Dollars in the circumstances described in paragraph (c) above.

On a redenomination of the Notes of any Series pursuant to Condition 1(d) with a view to consolidating such Notes with one or more other Series of Notes, in accordance with Condition 14, the Issuer shall

ensure that the same entity shall be appointed as both Redenomination Agent and Consolidation Agent in respect of both such Notes and such other Series of Notes to be so consolidated with such Notes.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders in accordance with Condition 15.

- (f) **Unmatured Coupons and Receipts and unexchanged Talons:**
- (i) Unless Materialised Bearer Notes provide that the relative Coupons are to become void upon the due date for redemption of those Notes, Materialised Bearer Notes should be surrendered for payment together with all unmaturing Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unmaturing Coupon (together, where applicable, with the amount of any Arrears of Interest corresponding to such Coupon) (or, in the case of payment not being made in full, that proportion of the amount of such missing unmaturing Coupon (together, where applicable, with the amount of any Arrears of Interest corresponding to such Coupon) that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Amortised Nominal Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 10).
 - (ii) If Materialised Bearer Notes so provide, upon the due date for redemption of any such Materialised Bearer Note, unmaturing Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
 - (iii) Upon the due date for redemption of any Materialised Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
 - (iv) Upon the due date for redemption of any Materialised Bearer Note that is redeemable in instalments, all Receipts relating to such Materialised Bearer Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.
 - (v) Where any Materialised Bearer Note that provides that the relative unmaturing Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmaturing Coupons, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
 - (vi) If the due date for redemption of any Materialised Bearer Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, (including, for the avoidance of doubt, any Arrears of Interest if applicable) shall only be payable against presentation (and surrender if appropriate) of the relevant Definitive Materialised Bearer Note. Interest accrued on a Materialised Bearer Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Materialised Bearer Notes.
- (g) **Talons:** On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Materialised Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 10).
- (h) **Non-Business Days:** If any date for payment in respect of any Note, Receipt or Coupon is not a business day, the Noteholder shall not be entitled to payment until the next following business day nor to any

interest or other sum in respect of such postponed payment. In this paragraph, “**business day**” means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Notes, on which Euroclear France is open for business or (ii) in the case of Materialised Notes, on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as “**Financial Centres**” in the relevant Final Terms and (B) (i) (in the case of a payment in a currency other than Euro), where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or (ii) (in the case of a payment in Euro), which is a TARGET Business Day.

8. Taxation

- (a) **Withholding Tax:** All payments of principal, interest and other revenues by or on behalf of the Issuer in respect of the Notes shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.
- (b) **Additional Amounts:** If French law should require that payments of principal or interest in respect of any Note, Receipt or Coupon be subject to deduction or withholding in respect of any present or future taxes or duties whatsoever, the Issuer will, to the fullest extent then permitted by law, pay such additional amounts as shall result in receipt by the Noteholders or, if applicable, the Receiptholders and the Couponholders, as the case may be, of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon, as the case may be:
- (i) **Other connection:** to, or to a third party on behalf of, a Noteholder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of his having some connection with the Republic of France other than the mere holding of the Note, Receipt or Coupon; or
 - (ii) **Presentation more than 30 days after the Relevant Date in the case of Materialised Notes:** more than 30 days after the Relevant Date except to the extent that the Noteholder would have been entitled to such additional amounts on presenting it for payment on the thirtieth such day; or
 - (iii) **Payment to individuals:** where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC of 3 June 2003 or any other EU Directive implementing the conclusions of the ECOFIN Council Meeting of 26-27 November 2000 on the taxation of savings, or any law implementing or complying with, or introduced in order to conform to, such Directive; or
 - (iv) **Payment by another paying agent in the case of Materialised Notes:** presented for payment by or on behalf of a holder who would be able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another paying agent in a Member State of the EU.

As used in these Conditions, “**Relevant Date**” in respect of any Note, Receipt or Coupon means the date on which payment in respect of it first becomes due (and, for the avoidance of doubt, in the case of Arrears of Interest, references to “becomes due” shall be interpreted in accordance with the provisions of Condition 5(h)) or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or, in the case of Materialised Notes (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note, Receipt or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation.

References in these Conditions to (i) “**principal**” shall be deemed to include any premium payable in respect of the Notes, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Nominal Amounts and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) “**interest**” shall be deemed to include all Interest Amounts and all other amounts (including, for the avoidance of doubt, all Arrears of Interest) payable pursuant to Condition 5 or any amendment or supplement to it and (iii) “**principal**” and/or “**interest**” shall be deemed to include any additional amounts that may be payable under this Condition.

9. Events of Default

The Representative (as defined in Condition 11), upon request of any Noteholder, may, upon written notice to the Fiscal Agent given before all defaults shall have been cured, cause all the Notes (but not some only) held by such Noteholder to become immediately due and payable at their principal amount, together with any accrued interest thereon, as of the date on which such notice for payment is received by the Fiscal Agent without further formality, if any of the following events (each an “**Event of Default**”) shall occur:

(a) **Unsubordinated Notes:** In the case of Unsubordinated Notes:

- (i) the Issuer defaults in making the payment of any principal or interest (including the payment of any additional amounts in accordance with Condition 8) due in respect of the Notes or any of them and such default continues for a period of seven (7) days in the case of principal and fourteen (14) days in the case of interest; or
- (ii) the Issuer fails to perform or observe any of its other obligations under these Terms and Conditions and (except where such failure is incapable of remedy when no such notice or continuation as is hereinafter mentioned will be required) such failure continues for the period of 30 days next following the service by the Representative on the Issuer of notice requiring the same to be remedied at the request of any Noteholder; or
- (iii) any Relevant Indebtedness (as defined below) of the Issuer becomes due and repayable prematurely by reason of an event of default (however described) or the Issuer fails to make any payment in respect thereof on the due date for such payment as extended by any applicable grace period as originally provided or the security for any such Relevant Indebtedness becomes enforceable unless, in each case, the Issuer is contesting in good faith in a court of competent jurisdiction that such Relevant Indebtedness is due or that such security is enforceable.

“**Relevant Indebtedness**” means Indebtedness (as defined in Condition 4) which (either alone or when aggregated with the principal amounts of any other such Indebtedness in respect of which any of the events described above have occurred) amounts to €50,000,000 in aggregate principal amount; or

- (iv) the Issuer shall cease or threaten to cease to carry on the whole or the major part of its business either through the Issuer or any of its consolidated subsidiaries, or the Issuer shall cease generally to pay, or shall be unable to, or shall admit inability to, service its debt as it falls due, or shall be adjudicated or found bankrupt or insolvent; or
- (v) if the Issuer applies for the appointment of a conciliator (*conciliateur*), or ceases to pay its debts generally as and when they fall due or enter into an amiable settlement (*procédure de conciliation*) with its creditors or a judgment is issued for the judicial liquidation (*liquidation judiciaire*) of the Issuer or for a transfer of the whole of its business (*cession totale de l'entreprise*), or in the absence of legal proceedings, if the Issuer makes a conveyance, assignment or other arrangement for the benefit of its creditors or enters into a composition with its creditors, or a resolution is passed for its winding-up or dissolution except in connection with a merger or other reorganisation, consolidation or amalgamation pursuant to which the surviving entity assumes all of the obligations of the Issuer with respect to the Notes.

- (b) **Subordinated Notes:** In the case of Subordinated Notes and in accordance with Condition 3(b), if any judgment shall be issued for the transfer of the whole of its business (*cession totale de l'entreprise*) or the judicial liquidation (*liquidation judiciaire*) of the Issuer or if the Issuer is liquidated for any other reason then the Subordinated Notes shall become immediately due and payable, in accordance with Condition 3(b), at their principal amount together with any accrued interest to the date of payment and where applicable, any Arrears of Interest, without further formality.

10. Prescription

Claims against the Issuer for payment in respect of the Notes, Receipts and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

11. Representation of Noteholders

Except as otherwise provided by the relevant Final Terms, Noteholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a *masse* (in each case, the “**Masse**”).

The Masse will be governed by the provisions of the French Code of Commerce with the exception of Articles L.228-48, L.228-59, R.228.63, R.228.67 and R.228.69 subject to the following provisions:

(a) Legal Personality

The Masse will be a separate legal entity and will act in part through a representative (the “**Representative**”) and in part through a general meeting of the Noteholders (the “**General Meeting**”).

The Masse alone, to the exclusion of all individual Noteholders, shall exercise the common rights, actions and benefits which now or in the future may accrue respectively with respect to the Notes.

(b) Representative

The office of Representative may be conferred on a person of any nationality who agrees to perform such function. However, the following persons may not be chosen as Representatives:

- (i) the Issuer, the members of its Board of Directors (*Conseil d'administration*), its Supervisory Board (*Conseil de surveillance*), its general managers (*directeurs généraux*), its statutory auditors, or its employees as well as their ascendants, descendants and spouse; or
- (ii) companies guaranteeing all or part of the obligations of the Issuer, their respective managers (*gérants*), general managers (*directeurs généraux*), members of their Board of Directors, Executive Board (*Directoire*), or Supervisory Board (*Conseil de surveillance*), their statutory auditors, or employees as well as their ascendants, descendants and spouse; or
- (iii) companies holding 10 per cent. or more of the share capital of the Issuer or companies having 10 per cent. or more of their share capital held by the Issuer; or
- (iv) persons to whom the practice of banker is forbidden or who have been deprived of the right of directing, administering or managing an enterprise in whatever capacity.

The names and addresses of the initial Representative of the Masse and its alternate will be set out in the relevant Final Terms. The Representative appointed in respect of the first Tranche of any Series of Notes will be the Representative of the single Masse of all Tranches in such Series.

The Representative will be entitled to such remuneration in connection with its functions or duties as set out in the relevant Final Terms.

In the event of death, retirement or revocation of appointment of the Representative, such Representative will be replaced by the alternate Representative. In the event of the death, retirement or revocation of appointment of the alternate Representative, an alternate will be elected by the General Meeting.

All interested parties will at all times have the right to obtain the names and addresses of the initial Representative and the alternate Representative at the head office of the Issuer and the specified offices of any of the Paying Agents.

(c) **Powers of Representative**

The Representative shall (in the absence of any decision to the contrary of the General Meeting) have the power to take all acts of management necessary in order to defend the common interests of the Noteholders.

All legal proceedings against the Noteholders or initiated by them, must be brought by or against the Representative.

The Representative may not be involved in the management of the affairs of the Issuer.

(d) **General Meeting**

A General Meeting may be held at any time, on convocation either by the Issuer or by the Representative. One or more Noteholders, holding together at least one-thirtieth of the principal amount of the Notes outstanding, may address to the Issuer and the Representative a demand for convocation of the General Meeting. If such General Meeting has not been convened within two months after such demand, the Noteholders may commission one of their members to petition a competent court in Paris to appoint an agent (*mandataire*) who will call the General Meeting.

Notice of the date, time, place and agenda of any General Meeting will be published as provided under Condition 15.

Each Noteholder has the right to participate in a General Meeting in person or by proxy. Each Note carries the right to one vote or, in the case of Notes issued with more than one Specified Denomination, one vote in respect of each multiple of the lowest Specified Denomination comprised in the principal amount of the Specified Denomination of such Note.

(e) **Powers of the General Meetings**

The General Meeting is empowered to deliberate on the dismissal and replacement of the Representative and the alternate Representative and also may act with respect to any other matter that relates to the common rights, actions and benefits which now or in the future may accrue with respect to the Notes, including authorising the Representative to act at law as plaintiff or defendant.

The General Meeting may further deliberate on any proposal relating to the modification of the Conditions including any proposal, whether for arbitration or settlement, relating to rights in controversy or which were the subject of judicial decisions, it being specified, however, that the General Meeting may not increase the liabilities (*charges*) of the Noteholders, nor establish any unequal treatment between the Noteholders, nor decide to convert Notes into shares.

General Meetings may deliberate validly on first convocation only if Noteholders present or represented hold at least a fifth of the principal amount of the Notes then outstanding. On second convocation, no quorum shall be required. Decisions at meetings shall be taken by a two-third majority of votes cast by Noteholders attending such General Meetings or represented thereat.

In accordance with Article R.228-71 of the French *Code de commerce*, the right of each Noteholder to participate in General Meetings will be evidenced by the entries in the books of the relevant Account Holder of the name of such Noteholder as of 0:00 Paris time, on the third business day in Paris preceding the date set for the meeting of the relevant general assembly.

Decisions of General Meetings must be published in accordance with the provisions set forth in Condition 15.

(f) **Information to Noteholders**

TAXATION

EU SAVINGS DIRECTIVE

On 3 June 2003, the Council of the European Union adopted a new directive regarding the taxation of savings income received in the form of interest payments (the "**Savings Directive**"). Subject to certain conditions being met, Member States will be required, from 1st July 2005, to provide the tax authorities of another Member State with, *inter alia*, details of payments of interest within the meaning of the Savings Directive (interest, products, premiums or other debt income) made by a paying agent located within their jurisdiction to or for the benefit of an individual resident in that other Member State (the "**Disclosure of Information Method**").

For these purposes, the term "paying agent" is defined widely and includes in particular any economic operator who is responsible for making interest payments, within the meaning of the Savings Directive, for the immediate benefit of individuals or certain entities.

However, throughout a transitional period, certain Member States (the Grand-Duchy of Luxembourg and Austria), instead of using the Disclosure of Information Method used by other Member States, unless the relevant beneficial owner elects for the Disclosure of Information Method, withhold an amount on interest payments.

The rate of such withholding tax is currently 20 per cent. and from 1 July 2011 will be increased to 35 per cent. until the end of the transitional period. Such transitional period will end if and when the European Community enters into agreements on exchange of information upon request with several jurisdictions (including, *inter alia*, the United States, Switzerland, Liechtenstein, San Marino, Monaco and Andorra).

The European Commission has proposed certain amendments to the Savings Directive which may, if implemented, amend or broaden the scope of the requirements described above.

FRANCE

The descriptions below are intended as a basic summary of certain tax consequences in relation to the ownership of the Notes under French law. Persons who are in any doubt as to their tax position should consult a professional tax adviser.

Savings Directive

The Savings Directive was implemented into French law under Article 242 *ter* of the French *Code Général des Impôts*, which imposes on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest payments made to beneficial owners domiciled in another Member State, including, among other things, the identity and address of the beneficial owner and a detailed list of the different categories of interest paid to that beneficial owner.

Notes which are not consolidated (assimilables for the purpose of French law) with Notes issued before 1 March 2010

Following the introduction of the French *loi de finances rectificative pour 2009* n°3 (n°2009-1674 dated 30 December 2009) (the "**Law**"), payments of interest and other revenues made by the Issuer with respect to Notes (other than Notes (as described below) which are consolidated (*assimilables*) and form a single series with Notes issued prior to 1 March 2010 having the benefit of Article 131 *quater* of the French *Code Général des Impôts*) will not be subject to the withholding tax set out under Article 125 A III of the French *Code Général des Impôts* unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French *Code Général des Impôts* (a "**Non-Cooperative State**"). If such payments under the Notes are made in a Non-Cooperative State, a 50% withholding tax will be applicable (subject to certain exceptions and to the more favourable provisions of any applicable double tax treaty) by virtue of Article 125 A III of the French *Code Général des Impôts*.

Furthermore, interest and other revenues on such Notes will no longer be deductible from the Issuer's taxable income, as from the fiscal years starting on or after 1 January 2011, if they are paid or accrued to persons established in a Non-Cooperative State or paid in such a Non-Cooperative State (the "**Deductibility Exclusion**").

Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to Article 109 of the French *Code Général des Impôts*, in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under Article 119 *bis* of the French *Code Général des Impôts*, at a rate of 25% or 50% (subject to the more favourable provisions of an applicable tax treaty).

Notwithstanding the foregoing, the Law provides that neither the 50% withholding tax set out under Article 125 A III of the French *Code Général des Impôts* nor the Deductibility Exclusion will apply in respect of a particular issue of Notes if the Issuer can prove that the principal purpose and effect of such issue of Notes was not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the "**Exception**"). Pursuant to the ruling (*rescrit*) n°2010/11 (FP et FE) of the French tax authorities dated 22 February 2010, an issue of Notes will benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of such issue of Notes if such Notes are:

- (i) offered by means of a public offer within the meaning of Article L.411-1 of the French *Code monétaire et financier* or pursuant to an equivalent offer in a State other than a Non-Cooperative State. For this purpose, an "equivalent offer" means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or
- (ii) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or
- (iii) admitted, at the time of their issue, to the clearing operations of a central depository or of a securities clearing and delivery and payments systems operator within the meaning of Article L.561-2 of the French *Code monétaire et financier*, or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State.

Notes which are consolidated (assimilables for the purpose of French law) with Notes issued before 1 March 2010

Payments of interest and other revenues with respect to Notes which are consolidated (*assimilables* for the purpose of French law) and form a single series with Notes issued (or deemed issued) outside France as provided under Article 131 *quater* of the French *Code Général des Impôts*, before 1 March 2010, will be exempt from the withholding tax set out under Article 125 A III of the French *Code Général des Impôts*.

Notes issued before 1 March 2010, whether denominated in Euro or in any other currency, and constituting *obligations* under French law, or *titres de créances négociables* within the meaning of rulings (*rescrits*) n°2007/59 (FP) and n°2009/23 (FP) of the French tax authorities dated 8 January 2008 and 7 April 2009, respectively, or other debt securities issued under French or foreign law and considered by the French tax authorities as falling into similar categories, are deemed to be issued outside the Republic of France for the purpose of Article 131 *quater* of the French *Code Général des Impôts*, in accordance with Circular 5 I-11-98 of the French tax authorities dated 30 September 1998 and the aforementioned rulings (*rescrits*) n°2007/59 (FP) and n°2009/23 (FP).

In addition, interest and other revenues paid by the Issuer on Notes issued on or after 1 March 2010 and which are to be consolidated (*assimilables* for the purpose of French law) and form a single series with Notes issued before 1 March 2010 will not be subject to the Deductibility Exclusion, and hence will not be subject to the withholding tax set out in Article 119 *bis* of the French *Code Général des Impôts* solely on account of their being paid in a Non-Cooperative State or accrued or paid to persons established or domiciled in a Non-Cooperative State.

LUXEMBOURG

The following summary is of a general nature and is included herein solely for information purposes. It is based on the laws presently in force in Luxembourg, though it is not intended to be, nor should it be construed to be, legal or

tax advice. Prospective investors in the Notes should therefore consult their own professional advisers as to the effects of state, local or foreign laws, including Luxembourg tax law, to which they may be subject.

Please be aware that the residence concept used under the respective headings below applies for Luxembourg income tax assessment purposes only. Any reference in the present section to a tax, duty, levy, impost or other charge or withholding of a similar nature refers to Luxembourg tax law and/or concepts only. Also, please note that a reference to Luxembourg income tax encompasses corporate income tax (impôt sur le revenu des collectivités), municipal business tax (impôt commercial communal), a solidarity surcharge (contribution au fonds de chômage) as well as personal income tax (impôt sur le revenu) generally. Investors may further be subject to net wealth tax (impôt sur la fortune) as well as other duties, levies or taxes. Corporate income tax, municipal business tax as well as the solidarity surcharge invariably apply to most corporate taxpayers resident of Luxembourg for tax purposes. Individual taxpayers are generally subject to personal income tax and the solidarity surcharge. Under certain circumstances, where an individual taxpayer acts in the course of the management of a professional or business undertaking, municipal business tax may apply as well.

TAXATION OF THE HOLDERS OF NOTES

Withholding Tax

(i) Non-resident holders of Notes

Under Luxembourg general tax laws currently in force and subject to the laws of 21 June 2005 (the **Laws**) mentioned below, there is no withholding tax on payments of principal, premium or interest made to non-resident holders of Notes, nor on accrued but unpaid interest in respect of the Notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of the Notes held by non-resident holders of Notes.

Under the Laws implementing the Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments and ratifying the treaties entered into by Luxembourg and certain dependent and associated territories of EU Member States (the **Territories**), payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the immediate benefit of an individual beneficial owner or a residual entity, as defined by the Laws, which is resident of, or established in, an EU Member State (other than Luxembourg) or one of the Territories will be subject to a withholding tax unless the relevant recipient has adequately instructed the relevant paying agent to provide details of the relevant payments of interest or similar income to the fiscal authorities of his/her/its country of residence or establishment, or, in the case of an individual beneficial owner, has provided a tax certificate issued by the fiscal authorities of his/her country of residence in the required format to the relevant paying agent. Where withholding tax is applied, it is currently levied at a rate of 20 per cent and will be levied at a rate of 35 per cent as of 1 July 2011. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Payments of interest under the Notes coming within the scope of the Laws would at present be subject to withholding tax of 20 per cent.

(ii) Resident holders of Notes

Under Luxembourg general tax laws currently in force and subject to the law of 23 December 2005, as amended (the **Law**) mentioned below, there is no withholding tax on payments of principal, premium or interest made to Luxembourg resident holders of Notes, nor on accrued but unpaid interest in respect of Notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of Notes held by Luxembourg resident holders of Notes.

Under the Law payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the benefit of an individual beneficial owner who is resident of Luxembourg will be subject to a withholding tax of 10 per cent. Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his/her private wealth. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Payments of interest under the Notes coming within the scope of the Law would be subject to withholding tax of 10 per cent.
