

# GROUPE RENAULT

## FONDATION D'ENTREPRISE

### CALL FOR PROJECTS

**Help people who are disadvantaged (owing to their social situation, disability, etc.) gain access to the workplace through an activity relating to:**

#### **Recycling:**

- re-using end-of-life objects, with or without reconditioning
- transforming objects for a different use as a new product or material

#### **And /or renewable energies:**

- making and implementing solar panels, solar ovens, tanks carrying gas to provide energy for domestic needs, etc.
- solutions to store and distribute electricity generated by solar energy and wind

**The aim of this activity is to support integration through employment. It must be based in France and/or a country in which Renault has strong presence.**

## WHO ARE WE?

---

Responding to corporate, social and environmental challenges, the Renault Foundation aims to promote inclusion and sustainable mobility.

We want to build a society and a company where everybody feels that they belong and that they have the means to thrive.

Our ambition is to help to change the economy and society as a whole, making them more positive, more inclusive, more sustainable and more responsible, to support the emergence of responsible, sustainable mobility for all.

## WHO IS ELIGIBLE TO PARTICIPATE?

---

Any not-for-profit association of recognized public interest able to issue tax receipts and working in the specified area.

## HOW ARE PARTICIPANTS SELECTED?

---

All applications received will be studied. The Renault Foundation team will undertake a detailed analysis.

A pre-selection panel will identify the five projects to be further investigated. The associations concerned will be invited to take part in a 20-minute pitch / Q&A session with a committee whose members represent the various corporate functions.

The panel will hold a vote to select just one project from the five submitted. This project will receive the sum of **90,000 euros in a single payment for a duration of three years.**

The associations whose projects are selected must be available for two appointments at the Boulogne offices:

- Between May 22 and 25: a meeting with members of the Foundation to present the association and the project.
- June 4: a 20-minute pitch in front of the sponsorship committee panel that will choose the winning project.

## WHAT IS THE APPLICATION PROCEDURE?

---

Applications should be sent by email to the Renault Foundation at [fondation.renault@renault.com](mailto:fondation.renault@renault.com). They should include the following information, to be set out briefly in the appended Excel file:

Identity and information on the organization

- Name of the organization
- Contact details
- Legal status

Type of activity

- Purpose of the organization
- Authorization to issue tax receipts
- Sector of activity

Resources of the organization:

- Number of employees
- Number of voluntary workers
- Budget of the organization

Main partners supporting the organization's work

Project information:

- Name and contact details of the project lead
- Title of the project
- Purpose of the project
- Summary of the project
- How the project is innovative and original in the way it addresses the problem
- How the project ties in with the CSR policy of the Renault Foundation

Type of request

- Amount requested
- Profile of beneficiaries
- Number of people concerned

Geographical coverage of the project

### Project financing package

- Total budget
- Self-financed part
- External contribution requested
- Partner names and contribution

### Objectives of the project

- Expected results
- Project assessment indicators

### WHAT ARE THE CRITERIA FOR ASSESSING YOUR PROJECT?

---

- Projects corresponding in every respect to the CSR theme and strategy for inclusion and sustainable mobility
- impact, operation in our employment areas and number of beneficiaries
- employee involvement (voluntary work, skills transfer, etc.)
- long-term outlook for the project and deployment prospects over three years
- links with the automotive world where mobility would be an advantage
- operational and financial feasibility
- original and innovative nature

The following are not eligible: individual projects, organizations with a political or religious aim, projects set up for profit, promotional purposes or advertising.

### CALENDAR

---

The deadline for sending in applications is **May 14 at midnight**.
